

**Project Write Up**

## **1 Outline**

Please write a general overview explaining the structure of your report. This can be brief (one paragraph), but it should make it clear how the report is structured. The overall length of your report must not exceed 5 pages (including figures, algorithms, tables, and references). This report is structured as follows: I will provide a brief overview of the the written project in Section ???. Then I will explain how I would suggest you use your time to achieve a good write up in Section ??, and finally I will explain and illustrate the marking scheme in Section ??

## **2 Yao's protocol**

## **3 Real word application**

## **4 Ethical, Legal and Social aspects**
